

# **PLEASE DON'T ASK**

**Written by Lisa Lease Vasey**

## **V1**

Don't you do it

Don't you say

What I think your gonna say

In your hand you hold flowers

In your mind you're seeing a wedding day

No I don't wanna do it

I don't wanna spoil your perfect dream

But it's a romantic notion

And I don't need a token

Cause I know you love me

## **CHORUS**

I would do anything for you

And you know that I'll be true

So please don't ask me to

Marry you

## **V2**

Listen to me

Listen to what I am trying to say

Well you know how much I love you so

Why do things have to change

No I didn't mean it

I didn't mean to cause you pain or doubt

Can we still stay together

I know we can find

A way to work this out

### **CHORUS**

If you wanna know the truth

I don't wanna lose you

So please don't ask me to

Marry you

### **BRIDGE**

You already know you're my one and only

And I will always be part of you

Cause yours are the only arms ever gonna hold me

But nobody's gonna own me

### **CHORUS**
