

# **THE DECISION**

**Written Lisa Lease Vasey & Peter Nikolic**

## **V1**

Sometimes I have to stop I have to know

I can find the time

I'm always doing always moving always trying

To enjoy this life

I have decided to spend my time

Just doing what I wanna do

And I won't let it pass me by

## **V2**

Sometimes I have to stop myself from saying things

I shouldn't say

Ah but keeping it inside of me makes it hard to breath

Never goes away

I have decided gonna live this way

And I won't shed one tear

Thinking back to yesterday

I'm gonna live for today

Won't let life pass me by

So enjoy the journey

Enjoy the passing of time

Don't let it pass you by

And I won't shed one tear thinking back to yesterday

I'm gonna live for today

Won't let life pass me by

So enjoy the journey

And enjoy the passing of time

Don't let life pass you by

Gonna enjoy my life
