

SCREW YOU

Written by Lisa Lease Vasey

V1

How could you know me

When I don't even know myself

My thoughts my feeling the deeper meanings

Why do you judge me

Whisper things about me

Watching assessing me it's depressing me

If I'm so predictable

Tell me what am I thinking now

CHORUS

So you go your way

And I'll go mine

And I'm gonna do what I'm gonna do

You're little put downs

Hit me blindside cause I

Did not expect that from you

But I'll be fine I'm moving on

Screw you

V2

You try to play me

To get what you want from me

You'd better think again

You get nothing friend

I won't judge you

Whisper things about you

Don't you be deceived

You don't mean that much to me

If I'm so difficult

Tell me why are you still hanging around me

CHORUS

BRIDGE

Hit the road hope the door hits you in the ass

Get gone gonna leave the past in the past

You'd better hurry get out of here fast

You're not the first

You won't be the last

It don't matter now

CHORUS

SCREW YOU
